

LABOR of LOVE & Softball Slam

★ ★ ★ JUNE 1-3, 2019 PHILADELPHIA, PA ★ ★ ★

Thank you from Chairman Sean McGarvey...

I am pleased to announce that North America's Building Trades Unions' 2019 Labor of Love Tournament will return to the City of Brotherly Love – Philadelphia, Pennsylvania.

I would once again like to personally thank the entire Philadelphia Building & Construction Trades Council for their willingness to partner with and help us put together another remarkable event.

As we enter our 33rd LOLove, we are fortunate to be able to provide you with some of last year's favorite venues as well as a few new ones – the golf tourney at the Philadelphia Cricket Club, a Welcome Reception at the new Museum of the American Revolution, the Masters golf tournament at the ACE Club, our annual Softball Slam at Franklin Delano Park, and the Bowling & Texas Hold'em Poker Tournament to be held at Lucky Strike.

As for the DRI, the advancements being made there continue and have received approval from the Food and Drug Administration (FDA) to conduct several clinical trials. New studies, which are in the final planning stages, aim to halt the body's attack on its own insulin-producing cells that cause the onset of type 1 diabetes and preserve islet cell function. These important trials will be conducted in multiple centers at the same time to speed the collection of data and the development of meaningful therapeutic strategies for patients. Clinical trials currently or soon to be underway are: Poseidon Trial, Diabetes Islet Preservation Immune Treatment Trial, Low-Dose IL-2 in Established T1D, Intraocular Islet Transplant, and Type 1 Diabetes TrialNet.

Our continued commitment to the Diabetes Research Institute (DRI) and their research efforts to find a cure remain steadfast. If you would like to learn more about the amazing research and progress the DRI is making, I would encourage you to visit their website – www.diabetesresearch.org/DRI-clinicaltrials.

With all the recent progression towards a cure, we want you to know that you and your organization are the reason why the Labor of Love and the DRI have been so successful. And because of that, your generosity each year has made the dramatic difference possible in the lives of our members and their families. While a cure is still in the works, we know that the research and medical breakthroughs over the years have been made possible because of YOU.

Thank you for being DIFFERENCE MAKERS!

We look forward to seeing you in Philadelphia.

Sincerely,

Sean McGarvey

LiUNA!
