

We are pleased to announce a **fully online** version of:
Building Trades Academy 107: Multi-Craft Core Curriculum (MC3)
Online Train-the-Trainer for Coordinators and Instructors

NABTU's MC3 is now available in a **fully-online format**.
This class (offered via Zoom) will introduce instructors to the MC3
and also introduce previously trained instructors to the new Online MC3.

MC3 Full Online Instructors (MC3-Online-I)

Enrolled Due: April 1, 2024 @ 3:55 PM

Alert
This course contains instructor-led lessons (live or online) that require enrollment. Click the icon next to the lesson to select a session to attend.

MC3 program developed for fully online purposes

				• MC3 Unit 8 - Online Lesson Plan (238 KB)

Online MC3 Train-the-Trainer (All classes are 12 - 3pm ET)

February 17–18, 2021 (Class Full)

March 17 - 18, 2021; April 14 - 15, 2021

May 5 - 6, 2021; June 23 - 24, 2021

July 14 - 15, 2021; August 18 - 19, 2021

Whole group sessions will meet both days of the training. Small group and individual work will be completed prior to the beginning of whole group instruction both days of training. Assignments, readings, and registration information will be distributed the week prior to the training for registered participants.

To enroll, please contact Nicole Schwartz (nschwartz@nabtu.org) or Tom Kriger (tkrigger@nabtu.org).

Participants must have prior approval from the local Building Trades Council to enroll in this class.

Enrollment is limited to 12 participants (per class).
