

## Kallie Kestley

Tradeswomen Heroes Award

Winner - April 2021

**Level of Experience:** Apprentice

**Years in Trade:** 3

**Union:** IUPAT

**Local:** 781

---

### Bio

Kallie was in healthcare for 13 years before joining IUPAT DC7 as a drywall finisher apprentice. She decided she needed a change when she saw that her significant other was looking at joining the union. Kallie has been with us for just over 3 years and hasn't looked back.

---

### Why Kallie Was Nominated

Kallie is always the first one to ask if she can help. From day one she has been an advocate for bringing more women into our trades, teaching kids about the trades and volunteering at events. Kallie is always striving to learn more and be a better drywall finisher. We are so lucky to have her in our Union Family!
