## CONFERENCE CALL

Dear Conference Attendee:

I am pleased to announce that NABTU's 2021 Legislative Conference will take place and be held virtually on Saturday, June 5, 2021 from 10:00am – 1:00pm. With COVID-19 erasing our 2020 program, we wanted to ensure that we had a forum in which our building trades leaders and members could still gather this year. While this program will be different from past years, it was vital that we adapt our conference to ensure everyone's health and safety while guaranteeing participants an opportunity to hear from our nation's leaders about the changes that have taken place over the past year along with our legislative focus and priorities for the coming months.

**REGISTRATION:** There is no registration fee for this event, and the link to register can be found on our website at <https://nabtu.org/registration/>. However, we are asking that you consider making a voluntary political education contribution instead. Once registering online, you will receive a virtual link to the conference. Please keep in mind, that link will be sent to the email you provide a few days prior to the event.

**VOLUNTARY POLITICAL EDUCATION CONTRIBUTION:** We ask each delegate to make a voluntary contribution to the Political Education Fund of NABTU. We are required by the Federal Election Commission and the Internal Revenue Service to make the following statement: The contribution is only a suggestion. You may contribute any amount, or no amount, without suffering any reprisal or adverse consequences. Contributions to the Political Education Fund are not tax deductible.

Political contributions **must** be made from personal funds. Contributions from union treasuries cannot be accepted. **Also, we are unable to accept contributions from Federal PAC Funds due to the Federal Election Commission limits.**

If you are inclined to make a voluntary contribution please use the following registration portal link: <https://nabtu.org/registration/> house on our website.

Thank you in advance for your support and participation in our legislative program. I look forward to seeing you on Saturday, June 5 and "in person" for our 2022 event next spring.

With kind personal regards, I am

Sincerely and fraternally,

Sean McGarvey  
President
