Why Tocarra Was Nominated

Tocarra is hard working and smart. She applies herself to her trade and has fantastic work ethic. She demands to know more and isn't afraid to ask questions. Every single contractor she has been sent to work for, brags on her. Members of our local and the contractors say the same thing, "if we had more like her, Local 78 would be the best in the country." She is the benchmark of what an apprentice should be.
