Legislative Workshop

Join the Legislative Workshop, featuring NABTU's Government Affairs team, to learn about our latest advocacy efforts in Congress and the Biden-Harris Administration. From Infrastructure and apprenticeship to prevailing wage, you will hear how NABTU and your union are lobbying hard to get policy wins for Building Trades working families through our Democratic and Republican allies in the federal government.

NCCMP Workshop

Join the National Coordinating Committee for Multiemployer Plans (NCCMP) as they discuss the provisions of the American Rescue Plan that directly impact Building Trades multiemployer pension and health plans. This session will highlight provisions to address the impact of the COVID-19 pandemic, the special financial assistance that extends a lifeline to deeply troubled pension plans and COBRA subsidies, as well as the provisions on which clear guidance/regulations will be necessary from the Pension Benefit Guarantee Corporation and Treasury to ensure full implementation of the bill.
