Bio

Cierra Lawson is a 5th year pipefitter apprentice with Plumbers, Pipefitters and Mechanical Equipment Service Local 392. Cierra started her apprenticeship in June 2017. Cierra has been an excellent apprentice in her time here and has become an emotional leader for women and minorities in our union and the building trades. Cierra reaches out to people thinking about the trades as a career to share her experiences with them.

Why Cierra Was Nominated

I am nominating Cierra for her tireless work ethic and positive attitude. Cierra shows up to school and work with a smile on her face and a willingness to take on even the toughest tasks.

Cierra was recently diagnosed with Hodgkins Lymphoma on August 27th, 2021 after doctors found a mass on her lung. Despite starting treatment immediately, Cierra has still kept up on her classwork and maintains enough on the job hours to be able to graduate with her classmates.

Cierra has the attitude and motivation to kick cancer's butt and once she does, I look for her to continue being a young leader here at Local

392 where the sky's the limit for her. Cierra
provides motivation to all of us here at Local
392 at work and beyond where she is an avid
weightlifter and a positive influence to many of
us.
