

Kylie Haas

Tradeswomen Heroes Award
Winner - November 2022

Level of Experience: Apprentice

Years in Trade: 3 years

Union: IUPAT

Local: 2012

City: Gardner, KS

Bio

Kylie Haas joined us back in 2019. She has done some residential work with her father through the years and after picking up skills her father taught her, he told her to join the painters union. She has recently bought her first house with her long-time boyfriend who is also an apprentice in the IBEW.

Why Kylie Was Nominated

I am nominating Kylie Haas because of the skills she brings to the table on top of her great attitude and willingness to learn from others. She is starting to come around by attending Union functions, she just needs that hand to help pull her out of her shy shell! I think once she becomes a journey person she will be a force to reckon with in the field and hopefully as a Foreman!
