Bio

Jada Marsh was one of the first women signed up in DC46 Local 1590 back in May of 2019 as an Industrial Painter (404D). She is currently 42yrs old, married to an ironworker, and has four children.

Why Jada Was Nominated

Jada is an independent, hard-working woman, working on what has been typically a "man's job" here in the Sarnia area for the past 75yrs.

She has had to juggle being a dedicated mother of four small children and focus on her career at the same time and this is no easy task in my opinion. She has completed her level 1 & 2 schooling and is confirmed for her 3rd level this January 2023. She is very proud of her profession and determined to successfully complete her apprenticeship to be the first woman Journeyperson in local 1590. For this reason and many more, I am proud to nominate Jada Marsh.
