TRADESWOMEN BUILD NATIONS

Tradeswomen Build Nations is the largest conference of its type in North America and growing each year. This event brings together over 3,000 tradeswomen from every craft in the building trades.

We are a unique community that fosters a supportive environment, embracing and celebrating diversity. We are stronger because of it! **Tradeswomen Build Nations** is for women of all ages and skill levels who work, or aspire to work, in the construction trades. The conference provides opportunities for networking, learning, and leadership development for all attendees, whether you are a pre-apprentice or a seasoned journeyworker.

Tradeswomen Build Nations speaks to every tradeswoman's needs, offering workshops and plenary sessions facilitated by tradeswomen and featuring union leaders, apprenticeship coordinators, contractors and politicians. This information-packed (and fun-filled) weekend will leave you with a renewed sense of purpose in your career, as well as new friends and memories to carry through life.
