LABOR OF LOVE

KINGSMILL

Resort

WILLIAMSBURG, VIRGINIA

Thank you from Chairman Sean McGarvey. . .

North America's Building Trades Unions are pleased to announce that Labor of Love will return to Kingsmill Resort in historic Williamsburg, Virginia this spring.

In Kingsmill, we will have the opportunity to play two PGA courses, the River and Plantation, which are nestled alongside the James River and a few miles away from historic Williamsburg and Yorktown. Labor of Love will begin with an opening reception on Saturday evening, followed by Sunday's events (Welcome Reception, Poker Tournament, Busch Gardens, and Masters Tournament), and conclude with Monday's Labor of Love tournament and awards ceremony.

As NABTU enters its 38th year of partnership with the Diabetes Research Institute, we've been fortunate enough to provide over 76 million dollars, thanks to our D.A.D.'s Day and Labor of Love activities. The FDA recently announced a breakthrough that has revealed pivotal revelations, which may transform the strategy for averting and postponing the emergence of type 1 diabetes. The DRI also provides cutting-edge clinical research access to patients through innovative clinical trials like the one used for *Teplizumab*. Each of you has played a critical role in this important discovery. As the Institute's scientists continue to address major research challenges that stand in the way of a biological cure, you continue to provide the path forward on our mission to close the door on diabetes.

Please visit the DRI website – www.diabetesresearch.org/DRI-clinical-trials – to learn more about the ongoing science and progress made to date. NABTU's commitment remains and our annual Blueprint for Cure Campaign efforts through the Labor of Love and D.A.D.'s Day program will continue to allow the DRI to continue their search for a cure. On behalf of the Building Trades and the Diabetes Research Institute Foundation, we sincerely thank you for your years of support. Returning to our in-person event last year was inspiring, and I believe this year will exceed expectations. We are proud of the DRI's fortitude and grateful to you for your continued commitment to assist with and improve the lives of our members and their families.

Thank you for being a beacon of hope.

We look forward to seeing you this June.

Sincerely,

Sean McGarvey
