This year, Mikva Challenge is pleased to honor Mark McManus, General President of the United Association. As General President, Mark McManus is responsible for supervising the day-to-day affairs of the United Association, as well as decisions concerning internal union governance and other matters affecting the organization. Mark McManus has had a distinguished career in support of our nation's hard-working men and women, and we hope you will join us in conversation and light refreshments as we celebrate the honoree.

Proceeds from this event support Mikva Challenge programming, and our commitment to building a more just and inclusive democracy that values youth voice. Mikva Challenge has impacted more than one million youth, educators and civic partners since our founding, and we are thrilled to be celebrating our 25th Anniversary this year!
