**City:** Aurora, IN

---

### Bio

Sister Michelle Hubert has been a great example of an elevator mechanic in our trade. She has maintained the shuttle at CVG (Cincinnati) Airport for over a decade along with her union Brothers. She has endured and seen many changes over the last three decades as a Trades Woman.

She has been an active member in our Local by serving on the Executive Board as a Member-at-Large, Warden, and currently Trustee. She has represented our Local by serving as our IUEC Journal Correspondent and attending the TWBN conference for several years. Sister Michelle has also been one of the main organizing members on our Local Planning Committee which organizes events for our members and their families. Examples are the annual Christmas Party, Easter Egg Hunt, Picnic and others. The image below is Sister Michelle Hubert with our International President Frank Christensen.

### Why Michelle Was Nominated

Sister Michelle has always conducted herself with respect for herself, her family, and her union family. She recently accepted the position on the newly started Ohio Building

Trades Women's Committee and is the most experienced tradeswoman on the committee currently. She represents all of our Sisters in Ohio for our trade on the committee. She has repeatedly donated her personal time towards the benefit of our Local and Elevator Trade as a whole.

It has been an honor and privilege to serve beside her in our Local the last couple of decades, and I'm proud to call her my Sister. It's Tradeswomen like herself that give me confidence in our future. I have a daughter who may or may not get into the trades in a few years. Having someone to look up to like Michelle helps put my mind at ease.
