TRADESWOMEN BUILD NATIONS

Tradeswomen Build Nations is the largest conference of its type in North America and growing each year. This event brings together over 4,000 tradeswomen from every craft in the building trades.

Our unique community fosters a supportive environment, embracing and celebrating solidarity, sisterhood and diversity, and we are stronger because of it! **Tradeswomen Build Nations** is for women of all ages and skill levels who work, or aspire to work, in the unionized construction trades. The lively conference provides opportunities for networking, learning, and leadership development for all attendees, whether you are a pre-apprentice or a seasoned journeyworker.

Tradeswomen Build Nations speaks to every tradeswoman's needs, offering workshops and plenary sessions facilitated by tradeswomen and featuring union leaders, apprenticeship and training coordinators, community and industry partners, and local, state, and federal advocates and lawmakers. This information-packed (and fun-filled) weekend will empower you with a renewed sense of purpose in your career, as well as new friends and memories to carry through life.
