---

### Bio

Brittoni Calhoun is a talented operating engineer with I.U.O.E Local 513 with over 9 years of experience. Throughout her career, she has built a strong reputation for exceptional work ethic and dedication to her trade.

Brittoni has successfully served as Steward on various important projects. Displaying her ability to lead and represent her members' contract rights as a proactive professional. In 2021, Brittoni was honored with the prestigious MOWIT Trades Woman of the Year award for her outstanding contributions to the industry. Furthermore, she was recognized with a national Construction Championship award for her commitment to mentoring and supporting others in their career development. Another award, presented by Construction Dive, a prominent digital publication, highlighted Brittoni's exemplary leadership within the construction sector. Out of 400 nominations across the country, she was one of 31 women selected for their exceptional efforts in mentoring and supporting others to succeed in the industry.

Brittoni's dedication to creating a positive and inclusive environment for all individuals within the trades underscores her commitment to making a meaningful impact in her field.

Through her leadership, work ethic, and commitment to fostering a diverse and empowering community within the Construction Industry, Brittoni continues to be a driving force for positive change. Her willingness to go above and beyond in supporting the success of others through mentorship and guidance exemplifies her dedication to creating a better workplace for all.

---

### **Why Brittoni Was Nominated**

I believe Brittoni will be an asset to the industry because of her tenacity and willingness to learn and participate in her community, whether by attending Labor Club meetings, Union meetings, volunteering, etc.
