

SPONSORSHIP OPPORTUNITIES

The background of the entire page is a photograph of a classical building facade, likely a government or institutional building. The facade is light-colored with ornate architectural details, including arched windows, columns, and decorative moldings. In the foreground, an American flag with 50 stars is flying on a tall pole, partially obscuring the building. The flag is the central focus of the image, symbolizing national unity and the legislative nature of the event.
