

A Partnership with North America's Building Trades Unions (NABTU)

Building Trades Academy

ABOUT THE ACADEMY

The Building Trades Academy's mission is to provide educational programs that equip union staff and leadership with practical skills they can immediately apply in their roles.

Our courses cover topics like:

- Organizing and Negotiation
- Leadership Development
- Labor Law for the Construction Industry
- Business Development

All programs are designed by experienced educators and industry experts, with a strong focus on women's leadership in construction.

Why choose the building trades academy?

- ✓ Tailored for the construction industry
- ✓ Real-world, in-demand skills
- ✓ Taught by experts with deep industry experience
- ✓ Collaborative, peer-driven learning environment

CUSTOMIZED TRAINING FOR UNIONS

Any Topic. Anytime. Anywhere.

We offer tailored training in organizing, management, negotiation, and labor. Programs are built to meet your union's specific needs and delivered at convenient times and locations.

PROGRAM DETAILS

Our programs are dynamic, combining expert classroom instruction with peer interaction and practical skill-building. Courses are led by accomplished faculty, thought leaders, and experienced professionals from the unionized construction sector.

Program features:

- Most courses are 1 to 5 days in length
- Hosted at world class union sponsored venues and conference centers
- Open to individuals or groups from a single trade or multiple trades in the same region

Our programs provide flexibility: whether you're a new or emerging leader or a trades seasoned professional, you'll gain the skills and knowledge needed for success.

COURSE FEE & REGISTRATION

The registration fee for each course is \$850, with pre-registration and payment required to secure your seat.
