NABTU Weekly Update Report

May 1, 2020

CPWR

CPWR

CPWR assisted NABTU in releasing the standard on Monday, April 27th. [A copy is linked here.](#)

CPWR continues to offer live distance learning courses on COVID-19 and ICRA/COVID-19 awareness to affiliates. We also can train trainers and supply curriculum for integration into affiliates' own learning management systems. We are continuing to explore online asynchronous delivery to reach many more members. We are modifying grants and subgrants to address affiliates H&S training needs.
